FLORIDA ATLANTIC

Florida Atlantic University was established by an act of the Florida Legislature in 1961 and opened its doors to students in 1964. In addition to its original 850-acre campus in Boca Raton, the University has campuses in Dania Beach, Davie, Fort Lauderdale, Jupiter and Fort Pierce.

Florida Atlantic's ethnically diverse population includes more than 30,000 students and 1,000 full- and part-time faculty members.

The University's 10 colleges—the Dorothy F. Schmidt College of Arts and Letters, the College of Business, the College of Education, the College of Engineering and Computer Science, the Graduate College, the Harriet L. Wilkes Honors College, the Charles E. Schmidt College of Medicine, the Christine E. Lynn College of Nursing, the Charles E. Schmidt College of Science and the College of Social Work and Criminal Justice—offer 99 bachelor's, 74 master's, 3 specialist's and 25 doctoral degrees. To date, the University has awarded 232,238 degrees to more than 204,000 alumni.

In December 1967, Florida Atlantic was elected to regular membership in the Southern Association of Colleges and Schools. At that time, the Commission on Higher Education of the Southern Association granted full accreditation to all of the University's programs. In accordance with Association regulations, this accreditation was reaffirmed in 1972, 1982, 1992, 2002 and 2013.

UNIVERSITY

PRESIDENT STACY A. VOLNICK

Stacy A. Volnick, Ph.D., was unanimously approved by the Florida Atlantic University Board of Trustees as interim president on Sept. 19, 2022, and confirmed by the Florida Board of Governors on Nov. 9, 2022.

Dr. Volnick is responsible for the operation and administration of the entire University within the framework of policies provided by the Board of Trustees in keeping with the laws of the State of Florida and the Board of Governors. She makes recommendations for policies and decisions that will enable the University to run smoothly and effectively at all levels. She also collaborates with the Board of Trustees and other stakeholders to determine priorities and accomplish the many objectives of the University.

In addition to her role as interim president, Dr. Volnick serves as an affiliate clinical professor for the Department of Educational Leadership and Research Methodology in the College of Education.

Previously, Dr. Volnick served as chief operating officer and vice president for administrative affairs. In this role, Dr. Volnick provided oversight for the university's administrative and operational units including Public Safety, Facilities Management, Environmental Health & Safety, Human Resources, Business Services, Emergency Management, Board of Trustees Operations, President's Office Operations, the Eleanor R. Baldwin House presidential residence, Real Estate Development, the University Ombudsman, as well as the Offices of the Inspector General and University Compliance. She also served as interim vice president for institutional advancement, interim vice president for financial affairs and chief financial officer, interim oversight over public affairs, and interim inspector general.

A three-time Owl and a proud first-generation college graduate, Dr. Volnick received her bachelor's degree in communication and her master's and doctoral degrees in educational leadership from Florida Atlantic. She became a member of the University's administrative staff in 1991 and has more than 30 years of experience in higher education administration.

COMMENCEMENT

The History of the Mace

The mace, generally made of wood and clad in metal, was used as a weapon during the Middle Ages. Later, as more powerful military arms were developed, the mace became a symbol of authority.

During the 12th century, guards of the English and French kings were the first to bear ceremonial maces. The tradition grew, and by the end of the 16th century the mace

UNIVERSITY

A large, stylized graphic in a muted blue color. It features a chair-like structure with two vertical legs and a horizontal seat, positioned behind the word 'UNIVERSITY'. To the right of the chair is a large, abstract scribble or swirl that extends towards the top right corner of the page.

Florida Atlantic University, created in 1961 by act of the Florida Legislature, went into operation in 1964 as one of the first universities in the nation serving upper-division and graduate students exclusively. The University was dedicated on October 25, 1964, by President Lyndon B. Johnson, becoming one of the few American institutions of higher learning to be so honored by a sitting President of the United States. Twenty
